

Fellowship Conference Center

Liberty Corner, New Jersey

Dear Friends,

It is truly a blessing and a privilege from the Lord that we are able to minister to you at *Fellowship Conference Center*. We are excited by what God will be doing here in 2009!

Fellowship Conference Center is all about providing a place for you to come and deepen your relationship with our Heavenly Father. Our Staff is committed to making your experience here both meaningful and memorable. By God's plan, we are a uniquely situated spiritual and physical ***oasis*** set in the midst of the hustle and bustle of Northern New Jersey. Just minutes from the I-78 and I-287 speedways, we still cling to our 15 mph speed limit. Listen for the dinner bell! In an age of fast food, fusion menus, and power lunches, we still provide our old-fashioned, sit-down mealtimes. You won't find much in the way of in-room entertainment in our Guest Houses, but

you will find plenty of quiet time to rest and spend time with the Lord. Our conferences won't provide you with the latest research in marketing megachurches or feel-good psychology. Instead, we aim to stand for the sake of Christ, bringing Bible-based teaching to God's people and the power of the Gospel to the unsaved.

Fellowship Conference Center is pleased to once again offer a schedule of events featuring teaching that is grounded in Scripture and God-honoring worship. Please read further for more of the exciting details.

We invite you to take advantage of our newly simplified and ***affordable*** rates. Easily reached from New York, Philadelphia, and all of New Jersey by car or train, and from all points via Newark Liberty Airport, we remain your ***local*** conference and retreat center for your personal and church needs. Please contact us by phone or e-mail to arrange for your next visit.

In Him,
